Sub: Vetting of design and drawings of five B+S+12 story residential apartment buildings along with a Clubhouse at Gosaninuagaon, Berhampur, Odisha

TO WHOM IT MAY CONCERN

This is to certify that the structural design calculations and drawings related to five B+S+12 story residential apartment buildings, along with a Clubhouse at Gosaninuagaon, Berhampur, Odisha, were reviewed by the undersigned upon the request of **M/s Dhiraj Sky Estate LLP, In front of BeMC Guest House, Town Hall Road, Upstairs Choudhury Battery, Berhampur, Ganjam, Odisha**. The design and drawings of all the aforementioned buildings were found to be in compliance with relevant Indian Standards and can therefore be considered safe and suitable for construction.

The execution of the work should be carried out as per the approved design and drawings, with proper quality control of materials. For any clarification regarding the above-mentioned design and drawings, the undersigned may be contacted.

Thanking you.

Yours sincerely,

B. Mandal
